

# HSE list for an MV/LV transformer station

Print the list, chose the needed items and send us a picture

MV equipment	Cat. no.	
1. IP acoustic-optical pole voltage indicator 12-36 kV	EG-BHP-WSN-12-36KV	<input type="checkbox"/>
2. Insulating pole UDI max. voltage 20 kV	EG-BHP-DRU-DT-20KV-1150MM	<input type="checkbox"/>
3. Insulating tongs	EG-BHP-KLI-30KV	<input type="checkbox"/>
4. Insulating rod gripper up to 110 kV	EG-BHP-CHM-110KV	<input type="checkbox"/>
5. Portable earthing device for round and flat bars	EG-BHP-UZM-U3-P-O-3-1-13-1-50	<input type="checkbox"/>
6. Maneuvering hook	EG-BHP-ZAC-KD-3	<input type="checkbox"/>
7. Class 3 insulating overboots	EG-BHP-OBU-CL3	<input type="checkbox"/>
8. Dielectric gloves 20 kV	EG-BHP-RDK-20KV-11	<input type="checkbox"/>
9. Insulating matting for the work with voltage up to 20 kV	EG-BHP-CHD-20KV-1100MM	<input type="checkbox"/>
10. Rescue rod 45 kV with a hook for areas of high danger	EG-BHP-DRR-45KV	<input type="checkbox"/>
11. Portable fence – set of 6 poles	EG-BHP-OGR-OP	<input type="checkbox"/>
12. Plastic red and white chain – sold by the meter	EG-BHP-LAN-M	<input type="checkbox"/>
13. Insulating platform 45 kV	EG-BHP-POM-45KV	<input type="checkbox"/>

LV equipment	Cat. no.	
1. IP acoustic-optical pole voltage indicator 1 kV	EG-BHP-WSN-200-1000V	<input type="checkbox"/>
2. Insulating pole with UDI ending 1 kV, length 500 mm	EG-BHP-DRU-DT-1KV-500MM	<input type="checkbox"/>
3. Voltage tester 1,0-1000 V	EG-BHP-WSN-1,0-1000V	<input type="checkbox"/>
4. Portable earthing device for round and flat bars	EG-BHP-UZM-U3-P-O-3-1-18,5-1-95	<input type="checkbox"/>
5. Portable earthing device for fuse bases and switch disconnectors	EG-BHP-UZM-U3SLP1-6.5KA-1S-1.2-0.28-0.48-0.68	<input type="checkbox"/>
6. Pullback hook 1 kV	EG-BHP-HEM-1KV	<input type="checkbox"/>
7. BM fuse handle with protective sleeve	EG-BHP-UBN-BM	<input type="checkbox"/>
8. Dielectric gloves 2.5 kV	EG-BHP-RDK-2.5KV-11	<input type="checkbox"/>
9. Insulating safety boots 1 kV	EG-BHP-OBU-1KV-103	<input type="checkbox"/>

Information boards and instructions	Cat. no.	
1. „Pod napięciem” – “Energized”	EG-TAB-PN	<input type="checkbox"/>
2. „Nie załączać” – “Do not switch on”	EG-TAB-NZ	<input type="checkbox"/>
3. „Strefa pracy” – “Work area”	EG-TAB-SP	<input type="checkbox"/>
4. „Nie dotykać urządzenia elektryczne” – “Do not touch electric device”	EG-TAB-ND	<input type="checkbox"/>
5. „Uziemiono” – “Earthed”	EG-TAB-UZ	<input type="checkbox"/>
6. „Zasilanie dwustronne” – “Two-side power supply”	EG-TAB-ZD	<input type="checkbox"/>
7. „Gaśnica” – “Fire extinguisher”	EG-TAB-GAS-15X15	<input type="checkbox"/>
8. General health and safety instructions	EG-INS-BHP	<input type="checkbox"/>
9. First aid instructions	EG-INS-PP	<input type="checkbox"/>
10. General fire safety instructions	EG-INS-PPOZ	<input type="checkbox"/>
11. Instructions how to act in the event of fire.	EG-INS-POZ	<input type="checkbox"/>
12. Instructions for rescuing electrocuted person	EG-INS-PRAD	<input type="checkbox"/>
13. Safety rules manual.	EG-INS-BE	<input type="checkbox"/>

Safety and additional equipment	Cat. no.	
1. Electrical safety helmet with visor	EG-BHP-HEL-EWR-Y	<input type="checkbox"/>
2. First aid kit	EG-BHP-APK-10-DIN13164	<input type="checkbox"/>
3. Fire blanket	EG-BHP-KOC-120X180	<input type="checkbox"/>
4. CO2 fire extinguisher 5 kg	EG-BHP-GAS-GS5X-5KG	<input type="checkbox"/>
5. Fire extinguisher hanger	EG-AKC-WGS-5X	<input type="checkbox"/>
6. Insulating poles hanger	EG-AKC-WDI-502	<input type="checkbox"/>
7. Earthing devices and poles hanger	EG-AKC-WUD-123	<input type="checkbox"/>
8. Information boards holder	EG-AKC-WTB	<input type="checkbox"/>
9. Safety glasses	EG-BHP-OKU-155	<input type="checkbox"/>
10. Health and safety equipment plastic cabinet	EG-MAG-SZB-PL	<input type="checkbox"/>

**EG SYSTEM**  
SKLEP
